Szczecin, 9th June 2014

Dear Dr. Busina

Thank you kindly for copies of your book. I am convinced that our students will find this book very helpful. I believe that your book will be great asset both for the teachers who specialise in Civil Engineering Management and for the students of the ECEM course. The main field of interest of this students is Management in Civil Engineering and I'm sure they will be very satisfied to find new interesting input of their course

Yours sincerely
